Please Read This Article

Welcome to the eighth season of the **Bull City Dart League**. This article contains important information for both returning and new league members. There are several major changes this season.

Scoresheets:

Remember, it is the **winning** team that is responsible for returning the scoresheet with its envelope to **Valley Square Billiards** no later than 8pm Wednesday. Please call Andy at home by 1am Tuesday, or by at work by 5pm on Wednesday if other arrangements must be made. Current penalties for late scoresheets are 5 points after 8pm Wednesday and 8 points after 5pm Thursday. The **home** team is responsible for picking the packet up before the match. It is the responsibility of **both** teams to verify that all information on the scoresheet is correct. **Note:** Keith Tarpley will be taking over the stats in a few weeks.

If you want to drop the scoresheet off during lunch on Wednesday and Valley Square Billiards is closed, you may drop it off at Piper's Deli (upstairs) instead.

Handicaps:

There is one minor change in the handicap system this season. It was decided to change the New Player Handicap. A new player will now use the median returning handicap of their **division** or the league, whichever is **higher**. Basically, it means new **Gold** players are **15s**, new **Silver** players are **12s**, and new **Bronze** and **Copper** players are **11s**.

You will find a listing of all players who have participated in league play and their Point Per Dart Averages on the insert included in your packets. The "Handicap" is the whole number of that average (10.01 to 10.99 are both "10".)

Schedule:

Each division will play a double round-robin schedule, playing each divisional opponent at home and away. There will be **no** out of division matches this season.

BCDL standings are based on games won, not matches. After the ten week regular season, **All 24 teams** will play in the league championship tournament. All tournament games will be played straight up. Match format will be the same as the regular season. The winner will be crowned league champions, and take possession of the league championship cup that will be held at BJ's Sports Bar this season.

Questions? Help Available:

If you need help, or have a question, please call one of the league officers listed on the left. Just find their team on the schedule on the back, and call the appropriate bar.

Match Play Guidelines:

Each match begins at 8pm. Any team not having two players present by 8:05pm forfeits the match. The match is a "blind" list, each team takes turns listing their players for each section, keeping the scoresheet folded such that players listed for the other team are not visible.

The first section is **Singles 301**. Each team lists 4 players. During this section, both dart boards will be used with separate games taking place on each board. For purposes of calculating handicaps, the following information **must** be recorded for each game of 301: Each player's starting score (301, 316, 331, etc...), the number of points the losing player has left at the end, and the number of darts thrown by each player. In the BCDL, all '01 games are Single In, Double Out.

The second section is **Singles Cricket**. It is played on two boards as well. The following information **must** be recorded: Each player's starting score (0, 15, 30, etc...), each player's final point total, the number of darts thrown by each player, and what marks each player hit (please fill in the cricket boards on the back of the scoresheet.)

the final three sections are **Doubles 601**, **Doubles Cricket**, and **4-Person 701**. The doubles games are played on **two** boards unless **both** captains agree to use only one board. To be eligible to play any of these games, a player must be present and listed to play in either 301 or Singles Cricket.

By-Laws and Rules for Match Play:

If your team does not have a copy of the League By-Laws, please contact Anita. The captain for each team should have one. This document is technical, and possibly, a little hard to understand at first. It should be used as a reference material. The best place to get answers to burning questions is other players.

New Players and Teams:

There will likely be many things that you are not sure about. Don't worry, just ask questions. This newsletter publishes all comments from the scoresheet. Your opponents or teammates with league experience should help explain what "All-Stars" are, what "PPD" means, etc... If all else fails, don't hesitate to call one of the league officers for help.

BCDL News Publication Policy:

The BCDL News currently is looking for a new Editor. Please contact Anita Tyndall immediately if you are interested.

Responsibility (Booze It and Loose It):

We want you back safely next week, so drink responsibly. If you've had too much to drink, don't drive. The highways around Durham are some of the most highly patrolled roads in the state.

Lights Out 11 Murderer's Row 8

The third time proved to be the charm as Lights Out! finally captured their first league title in an epic come from behind victory over BJ's barmates Murderer's Row. Just as they did in the semis versus Golf Clap, Murderer's Row jumped out to a commanding 6-2 lead after singles. After pushing the margin to 8-2 by winning the first 601, Tom Brown led off with a Ton80 in trying to finish off the match. It wasn't enough, however, as John Poteat and Scott Van Meter forced the match to Doubles Cricket. Lights Out continued their surge by winning both, tying the match, and sending it on to the deciding 701.

Lights Out! started off strong, but Murderer's Row showed why they won Alpha Division by coming back strong. Down 165 to 93, Tom Brown hit a Ton-23 to set Steve Taylor up with 42 left for the season. Steve never got the chance. John Poteat stepped up and coolly hit a Triple-19, Double 18 out for League Championship dart.

NC City Dart League

The Bull City Dart League sponsors the Durham team in the new North Carolina City Dart League (NCCDL). The annual season will see Durham play seven other teams in pursuit of the state title. Our first match was a heart breaking 22-18 loss to Greensboro, played immediately before the party. Hopefully team captain Jason Kilts will supply a write-up and current standings as the season progresses. The team next hosts Boone at BJ's on October 14th, then travels to Charlotte on December 2nd.
