## Bull City Dart League Fall 1998 Championship

### Quarterfinals

### Semifinals

Tues, Dec. 1

### Championship

Tues, Dec. 8

## Editor Notes

Don't forget that the deadline for getting your rosters and dues in is Wednesday Dec. 30th at PJ's Sports Bar. The registration starts at 7:30pm with the scheduling meeting beginning at 8pm. There will also be a luck of the draw on that night. Don't forget: The league will pay you two dollars for each new or returning player you bring into the league. If you can't make the Registration Meeting, please contact an Executive Council member today and get your team in today. The first night of darts will be Tuesday, January 5th. h.

We will be sticking with the mailing of scoresheets for the spring season. Let's see if we can do a little better with getting the scoresheets in, and the packets returned this time around. Two scoresheets enforced. Due to the rash of lost scoresheets, and considering that each team is supposed to keep a copy during the match, and the captains are supposed to compare and verify them after the match; It was decided that if the winning team loses its scoresheet, the losing team must supply their copy in order to get their points. The winning team will still forfeit all of their points, but hopefully the league won't lose any stats.

## Quarterfinals

I didn't make it to any of the quarterfinal matches, so I can't give you any of the low down. I do know that I received a phone call some time after midnight with a slightly tipsy Kyle Mills informing me that We're Not Mur-Eez (who made it to the tournament by the slimmest of margins) had defeated We're Not Scared! I guess if you have to receive a midnight call, one from an extremely happy, slightly drunk darter is one you don't mind as much. ☺

The next day I received a call from Andrew Kagan of The Other Ones informing me that they had defeated Strokin and clinched a spot in the Semifinals. He also expressed some concern regarding an error that I had placed in that night's newsletter listing two of his players as ineligible for tournament play. Thank you to all of you who realized my error, corrected it and didn't bitch a lot.

Also occurring on that night was during the Just Puppies/Menace to Sobriety match; Ed Grubb threw an awesome T52 out! Great darts Ed!

***Fall Championship***

Those of you who missed the championship game this season definitely missed a good one. It came down to the wire. Just Puppies started out strong by sweeping all four 301 games and three out of the four Single cricket games. We're Not Mur-Eez came back into the match by sweeping the double 601 games, and bringing the score to 7-5. The scored was tied with We're Not Mur-Eez taking one of the double cricket games and forcing the match into 701. From there, it was Just Puppies the rest of the way. Doug Jeffcoats T80 certainly put the puppies where they wanted to be, and Ed Grubb finalized it. The celebration afterwards was pure fun to watch. Congratulations Just Puppies!!

To properly maintain the statistics that are the basis of our handicapping system, utmost care must be applied to the recording of games on the scoresheet. All information must be supplied in the proper locations. Both team Captains are responsible for verifying all information on the scoresheet. Penalties can be severe for repeated failure to properly record information on the scoresheet, especially handicap information. Please use black or blue indelible ink to record your Matches. Keep sloppy drinkers away from your scoresheet at all times! Don't assume the League Statistician will be able to read your crossed-out mess with all those arrows pointing all over the place. If you need to correct mistakes, consider using the comments section on the back of the scoresheet to clarify any possible problems. Players are encouraged to use the Comments section on the back to pass along Match comments for publication in the newsletter.
