Editor Notes

Attention Captains: Please put your correct team name at the top of tonights score sheets. We have a couple of different spellings for a couple of teams. Also make sure and fill out the scoresheet completely. The stats are confusing enough for me right now without having to guess on some things. ☺

The Salty Dogs and Missed that T80 again! match was not played until last night, so the stats for that match are not included in this newsletter. The new stats have been given to the captains of those two teams. The PJs3 and SNAFU match was played Sunday night, I don't have the score sheet yet, so the ASPs and match dart are not listed.

Hall of Shame

This week we have several entries into the hall to kick off the start of the season and they are.....We're not Mur-Eez with no match score, and no 701 winner listed. Lisa Phillips of MEADBITES losing Cricket with 32 darts and Mollie O'Dell of D'Bull Hunters losing Cricket with 47 darts. A little reminder to everyone, losers darts must be divisible by three.
