Editor Notes

Thanks to all who have nicely pointed out my statistical errors. I did post a warning in the party issue that these things would be happening. I am just relieved that haven't been more plentiful. Not to worry though, you can be sure that Andy catches and points out my errors before you ever see them. ☺

These come from Andy's quick reference guide on the web page

Due to all of the problems we seem to be having with scoresheets lately, I thought a reprint of the policies might be a good idea.

The Packet

The "Packet" is the method the League uses to distribute Match scoresheets, the weekly newsletter, and any other information designated by the League. It is generally a manilla "Inter-Office Mail" envelope.

Both the Home and Away teams should be clearly listed on the front.

Packets are generally available for pick up on the Monday evening preceding Tuesday Match play. the Home Team Captain is responsible for picking up the Packet before the Match and returning the empty Packet at a later time. Teams in RTP should pick up their Packets at PJ's Sports Bar, other teams should find their Packets at Down Under Pub. Any team wishing to make other

arrangements should contact the Newsletter Editor before the Match. Empty packets may be returned to either location. Due to the cost of replacing packets, teams that habitually don't return the empties will be warned, then penalized.

The Scoresheet

To properly maintain the statistics that are the basis of our handicapping system, utmost care must be applied to the recording of games on the scoresheet. All information must be supplied in the proper locations. Both team Captains are responsible for verifying all information on the scoresheet. Penalties can be severe for repeated failure to properly record information on the scoresheet, especially handicap information.

Please use black or blue indelible ink to record your Matches. Keep sloppy drinkers away from your scoresheet at all times! Don't assume the League Statistician will be able to read your crossed-out mess with all those arrows pointing all over the place. If you need to correct mistakes, consider using the comments section on the back of the scoresheet to clarify any possible problems. Players are encouraged to use the Comments section on the back to pass along Match comments for publication in the newsletter.

The Captain of the Winning team is responsible for returning the official Match Scoresheet to the League Statistician. The Packet contains a pre-addressed #10 envelope.

The Captains

Teams are responsible for designating a team Captain. Captains may delegate responsibilities to another player when necessary. In general, Captains: must be aware of the The Rules for Match Play and any changes to those Rules as published in the weekly newsletter; are responsible for team registration and fee payment; should make every effort to attend and participate in League meetings. Captains are also responsible for picking up of the weekly match packet when their team is the home team. They should scan the newsletter before each match in case there is important news that affects them or their team. They are responsible for making sure a complete and correct copy of the scoresheet is kept during the match, and comparing their copy against their opponents' at the end of the match. Should their team win, the Captain is responsible for delivering the scoresheet to the League Statistician in the proscribed manner. Currently that involves mailing the scoresheet in the supplied envelope with a Wednesday postmark. Should their team lose, the Captain should retain their copy in the case that the other team loses theirs..

Meeting Notes

An Executive Council meeting was held at the Down Under Pub Sunday Sept. 20th, 1998, which carried over to the first Captains' meeting of the Fall 1998 season. Council members present included Andy Mead, Jenn Strobel, and Paula Brown. Captains attending were Tom Brown and Gordon Tarbat.

1) Andy Mead would like to change to way league sponsored LOD are held. Instead of the league adding \$ to the pot based on registration numbers, Andy proposed an incentive plan. For every new paid player, the person who recruits that player would receive \$2. This would be in effect for the season, and not pertain to the participation of league sponsored LOD.

2) The question of whether or not the BCDL wants to join forces with the four other area dart leagues to bring the NC State Championship Tournament back to the Triangle was discussed at length. It was agreed that putting in a bid for the 1999 tournament wasn't going to work. The bids are submitted a year in advance at the ADO meeting held the Sunday morning of the tournament which would give us no time to organize anything. Andy, as representative of the BCDL, will suggest at the ADO meeting to make the deadline for submitting bids 1.5 years prior to the tournament to have more time to get the ducks in a row. Bottom line is maybe the dart leagues could have a proposal ready for the year 2000 tournament.

3) Both Champs and PJ's Sports Bar are looking for someone to run a weekly LOD. I'm sure the bars would contribute to the prize money dependent on player participation. Please talk to any of the council members if you are interested.

4) There will be a LOD at Champs on December 15th. This will also be the first opportunity to register your team for the 1999 Spring Season. Another LOD has been scheduled for December 29th at a location to be announced.

Hall of Shame

This week, we have Mike Bennet of The Other Ones who lost but had 0 left. No handicap stats can be ran on this game. We also had a scoresheet dropped off at Down Under..Both of the teams involved received an 8 point penalty for this. The winning captain for giving up responsibility, and the losing captain for taking responsibility and not following through correctly. Come on folks, this is our 3rd season of being on a mail-in system. See page One....
