Tournament Eligibility

Are you tournament bound? Make sure your players are. To be eligible to play in the League Championship Tournament, a player must either play in half of his/her teams matches or play one-third of all possible sets. In this ten week season, that means you need to play at least one game in five different matches, or you must play at least 17 games (out of a maximum 50).

Want a Trophy?

If you want to win a SPPD based or win percentage award, you need to play 60% of possible games. This means at least twelve (12) games for PPD and Singles awards and thirty (30) games for the President's Overall Win Percentage award!

Champs Luck of the Draw

There is a Luck of the Draw scheduled by the BCDL for Tuesday, December 15th held at Champs. The owner of the bar, Jeff Buck, wants to bring more dart throwers to his establishment. Mr. Buck will give each team signed up for the luck a \$10 gift certificate to Champs to be used at a later date. Also, Mr. Buck will donate \$100 to the first place finishers. This means first place will win whatever the split is from the draw plus \$100.

There are currently openings for three teams to throw out of Champs. You may want to get your bid in early for a team in the Spring 1999 season.
