Special Note**FYI!!**

When awards are missing or left out at the banquet, or hotshots stats please make sure that I'm aware of this. If you tell anyone else, chances are I will not get the information and your award(s) will be lost in the twilight zone of stars.

Also, when your team is playing Strokin' please, please don't assume I'm bringing the packet. There are times when I may not be there or may be coming late.

Friendly Reminder

Know the RULES and enjoy the game.
If it's NOT listed on the score sheet
it didn't happen...
If in doubt, write it down...

Eligibility

Tournament: 6 matches or 19 games
Singles awards: 14 games
Overall awards: 33 games

Note - for a player to be eligible for league awards the player must meet the requirements for that category as outlined in the BCDL By Laws Article XIV: Awards.

Editor Notes

Packet drop off is still going to be **Down Under Pub ONLY**.

Scoresheets:

Remember, it is the *winning* team that is responsible for getting their scoresheet to **Joyce P. Owens**. It must have a Wednesday postmark if mailed, or be faxed by Wednesday to avoid penalties. Current penalties for late scoresheets are 5 points for a Thursday postmark or fax, 8 points for a Friday postmark or fax, and all points thereafter. The losing team should keep their copy. If the winning scoresheet is lost, the losing team will only get their points if they can produce their copy. The home team is responsible for picking the packet up before the match. It is the responsibility of both teams to verify that all information on the scoresheet is correct.

If any team needs to add a player throughout the season, they must first have the Executive Councils approval. Captains need to contact **Pete Hall** to do this. Approval is required 72 hours prior to the first match played. After approval, the new person must then be paid for before they play.

The division median for this season:

A Division Average 14.82

B Division Average 12.51

C Division Average 10.65

From the scoresheet of : The Big Easy vs Puppies

The League needs to account for
ppd in doubles and 4-person to
accurately reflect a players
handicap. Sooner than later.
