Election Season

By rule the first full season of a calendar year is an election season. Nominations are due at the captains meeting. Campaigning (which could consist of flyers or a posting in the newsletter or on the web site) would run through 2/22. Voting would begin on 3/1 and all ballots will be returned no later than 3/9. Should a runoff be necessary it will be held 3/15-22.

Are there any Nominations for Council Members??? Please submit them tonight on the scoresheet.

Chapel Hill Boyz – Captains Meeting

Captains Meeting

Roll Call:

EC - Randy Wilcox, Jason Kilts, Jerry Shengulette, Paula Brown, John Strobel, Pete Hall

Captains – Andy Mead, Don Moore, Joyce Owens, Brett Leyburn, Don Richards, Barbara Garmon, Bob Rankl, John Riner, David Page, Keaton Mann, Mike Litzsinger, Mike Dwight, Adom Lubitz, Hugh Findlay, Tom Brown

Absent- Chapel Hill Boyz (apparently James thought the mtg started @ 8pm)

7:10pm – Underway

=====#1 Dues for Summer Season – Will be back to \$20.

Andy – What is current reimbursement for stats/newsletter? Are we due for another raise? Are we paying the webmaster?

Response -- Joyce is OK with status quo. The webmaster isn't asking for money.

Jason – Start sucking up, Joyce.

Joyce – My nose is already brown.

Andy – What is the nest egg?

Response -- With the elimination of the extra \$2 then we'll be making \$0 (and losing \$0).

Barbara – Why not keep it at \$22?

Jason – Well, we're not really "for" profit and it's simpler to maintain that if we take in less money.

Team Stats

Jerry – Is there another Bull City Classic?
Paula – Wade said it would be back.

How do we all like 801?

Bob – It takes longer.
Mike L. – Reiterate what Bob said.

Jason – Data don't support that better teams are not winning more.

Bob – It doesn't make me like the team game any more. Maybe we can play 12's Cricket (diddler's choice). 3 points is disproportionate value for this game. Least accurate game relative to the handicaps.

Andy – Don't know that there's a problem to be corrected.

Jason – The simplest reason for voting for 801 was that it makes the handicap per 100 pts the same for each set.

Andy – Will be motioning for changes at the scheduling meeting.

Consolation Tournament Handicap

Jason – Scaling the handicaps in the consolation tournament. Don't know if we have enough numbers but we are willing to give it a try. (Jason provided a brief overview of the why's in the system.)

Bob – If you want to try it, the consolation tournament is definitely the place.

Andy – Would rather see much more data. Experimentation should be based on existing data (rather than the new numbers that are admittedly incomplete/sparse).

Jason – The experiment is more a matter of just getting captains used to the idea of using a sliding scale system.

The sliding scale is OK'd by the general populace. The source of the numbers is left to the board's discretion.

Mike Dwight – Will league members have to be involved in more complicated scorekeeping?
Jason - No

Nominations

First season of every calendar year is an election season. This is it. We're not asking for nominations now, but please think about it.

Strobel – We have to have people step up just to see what it takes to run the league.

Don Moore – “Hats of to y'all for being willing to do it and as long as you're willing to do it, I'll support you.”

Open Floor –

Don Moore – Will the league ever rank the teams and do a tournament bracket?
Jerry – We have.

Jason – Right now, it's out of the hat because 1) favorites don't want to match up early and 2) in a handicap league seeding shouldn't matter.

It can be discussed at any scheduling meeting.

Andy – Random sites should be less random, more neutral-bar oriented.

Jason – That's less random (Editor's Note: there were lots of other words here; it's not like he just parroted Andy) and, at least last season, we didn't feel comfortable introducing that lack of randomness to the drawing.

Riner – Having 2 matches in the Tavern is a nightmare.

The league is OK with the board applying some latitude in assigning “random” sites. It is understood that there are only so many options with so many teams throwing out of Arnie's.

There are only 10 pairs of boards in play in the league so that first round of the playoffs is going to be tight.

Darrell is looking at having the banquet at Oh'Mulligan's. This will require moving things and bringing in stanchions.

Scoresheets:

Remember, it is the *winning* team that is responsible for getting their scoresheet to **Joyce P. Owens**. It must have a Wednesday postmark if mailed, or be faxed by Wednesday to avoid penalties. Current penalties for late scoresheets are 5 points for a Thursday postmark or fax, 8 points for a Friday postmark or fax, and all points thereafter. The losing team should keep their copy. If the winning scoresheet is lost, the losing team will only get their points if they can produce their copy. The home team is responsible for picking the packet up before the match. It is the responsibility of both teams to verify that all information on the scoresheet is correct.

If any team needs to add a player throughout the season, they must first have the Executive Councils approval. Captains need to contact **Pete Hall** to do this. Approval is required 72 hours prior to the first match played. After approval, the new person must then be paid for before they play.

Are you an active Captain?

Are you an active captain,
The kind who would be missed,
Or are you just content
To see your name on the list?
Do you guide your team
To help the games run smooth
Or do you just sit back and stare,
Don't care to make a move?
Do you attend the meetings
And share them with your crowd
Or would you rather stay at home
And complain both long and loud?
It's quite a league we've scheduled
And meetings are only few,
And we can't make it all go well
Without some help from you.
So come to all the meetings
And help with hand or heart;
Don't be just another captain
But take an active part.
Think it over, Captain,
Are you right or wrong?
Are you an active captain,
Or do you just belong?
