Editor Notes

Packet drop off **Down Under Pub ONLY.**

Scoresheets:

Remember, it is the *winning* team that is responsible for getting their scoresheet to **Joyce P. Owens**. It must have a Wednesday postmark if mailed, or be faxed by Wednesday to avoid penalties. Current penalties for late scoresheets are 5 points for a Thursday postmark or fax, 8 points for a Friday

postmark or fax, and all points thereafter. The losing team should keep their copy. If the winning scoresheet is lost, the losing team will only get their points if they can produce their copy. The home team is responsible for picking the packet up before the match. It is the responsibility of both teams to verify that all information on the scoresheet is correct.

If any team needs to add a player throughout the season, they must first have the Executive Councils approval. Captains need to contact **Peggy Jackson** to do this. Approval is required 72 hours prior to the first match played. After approval, the new person must then be paid for before they play. The **division median** for this season:

A Division – 14.66

B Division – 10.93
