**ARTICLE VI: THE SCORESHEET**

**RECORDING AND REPORTING**

**MATCH RESULTS**

A. Each team is required to maintain its own copy of the match scoresheet. Upon completion of the match, teams are to compare their scoresheets to ensure that both teams are in agreement as to the data being reported. (This may also be done after each individual section of the match.) Teams must resolve any differences between their scoresheet data before returning the winning team's scoresheet.

B. Each participating player's first and last name (**not Nic Names**) and HPPD average (defined in Article VIII) is to be filled in at the top of the scoresheet. Team names need to be listed on the lines provided at the top of the scoresheet.

## Editor Notes

Packet drop off **Down Under Pub ONLY**.

Scoresheets:

Remember, it is the *winning* team that

is responsible for getting their scoresheet to **Joyce P. Owens**. It must have a Wednesday postmark if mailed, or be faxed by Wednesday to avoid penalties. Current penalties for late scoresheets are 5 points for a Thursday postmark or fax, 8 points for a Friday postmark or fax, and all points thereafter. The losing team should keep their copy. If the winning scoresheet is lost, the losing team will only get their points if they can produce their copy. The home team is responsible for picking the packet up before the match. It is the responsibility of both teams to verify that all information on the scoresheet is correct.

If any team needs to add a player throughout the season, they must first have the Executive Councils approval. Captains need to contact **Peggy Jackson** to do this. Approval is required 72 hours prior to the first match played. After approval, the new person must then be paid for before they play.

The **division median** for this season:

**A Division – 15.00**

**B Division – 11.11**

**C Division – 9.99**
