## Eligibility

To be eligible to play in any tournament round matches, a player must be listed and present in at least half of the team's regular matches and/or a third of the team's sets (there are five sets per match). Teams that receive a match forfeit will receive credit for one match and for five sets for all active members of the team.

### Tournament Eligibility All Divisions:

5 matches or 17 games  
Singles awards: 12 games  
Overall awards: 30 games

## Don't Do It

- ⇒ Don't use a player that has not been approved by the Executive Council (contact **Peggy Jackson** ahead of time) and paid for.
- ⇒ Don't use a player in Doubles or 801 who was not listed to play *and* present during singles.
- ⇒ Don't forget to properly fill out the handicap data on the scoresheet (repeated mistakes result in penalties).
- ⇒ Don't fill out a cricket scoreboard on the scoresheet while its game is still in progress. You know who you are, and so do we.

- ⇒ Don't forget to read the front page of the newsletter each week before you start the match.
- ⇒ Don't forget to contact Joyce P. Owens (League Statistician) in advance in case you need to reschedule a match.
- ⇒ Don't forget to be sportsmanlike, tip the bartender, and help clean up the empties.
- ⇒ Don't drink and attempt to drive.

## Editor Notes

Packets drop off **Down Under Pub ONLY**.

Scoresheets:

Remember, it is the **winning team** that is responsible for getting their scoresheet to **Joyce P. Owens**. It must have a Wednesday postmark if mailed, or be faxed by Wednesday to avoid penalties. Current penalties for late scoresheets are 5 points for a Thursday postmark or fax, 8 points for a Friday postmark or fax, and all points thereafter. The losing team should keep their copy. If the winning scoresheet is lost, the losing team will only get their points if they can produce their copy. The home team is responsible for picking the packet up before the match. It is the responsibility of both teams to verify that all information on the scoresheet is correct.

If any team needs to **add a player** throughout the season, they must first have the Executive Councils approval. Captains need to contact **Peggy Jackson** to do this. Approval is required **72 hours** prior to the first match played. After approval, the new person must then be paid for before they play.

The **division median** for this season:

A=14.30

B=14.30

C=10.72
