## THE PLAN - Thur, Jul 5 Mandatory Captains Meeting

In the beginning was the Plan.

And then came the assumptions.

And the assumptions were without form.

And the Plan was without substance.

And darkness was upon the face of the Darters.

And they spoke among themselves, saying,

"It's a crock of shit, and it stinketh."

And the Darters went unto their "local reps", saying,

"It's a pail of dung and none may abide by the odor thereof."

And the "local reps" went unto their area managers, saying,

"It's a container of excrement and it is very strong, such that none may abide by it."

And the "area managers" went unto the general secretary, saying,

"It's a vessel of fertilizer and none may abide by it's strength."

And the "general secretary" spoke amongst himself, saying to himself,

"It contains that which aids Dart's growth and it is very strong."

And the "general secretary" then went unto the President, saying unto him,

"It promotes growth and is very powerful."

And the President went unto the Executive Board, saying unto them,

"This new Plan will actively promote the growth and vigor of Darts with powerful effects."

And the Executive Board looked upon the Plan and saw that it was good.

And the Plan became policy.

This is how shit happens!

## Editor Notes

Packets drop off **Down Under Pub ONLY**.

Scoresheets:

Remember, it is the **winning team** that is responsible for getting their scoresheet to **Joyce P. Owens**. It must have a Wednesday postmark if mailed, or be faxed by Wednesday to avoid penalties. Current penalties for late scoresheets are 5 points for a Thursday postmark or fax, 8 points for a Friday postmark or fax, and all points thereafter. The losing team should keep their copy. If the winning scoresheet is lost, the losing team will only get their points if they can produce their copy. The home team is responsible for picking the packet up before the match. It is the responsibility of both teams to verify that all information on the scoresheet is correct.

If any team needs to **add a player** throughout the season, they must first have the Executive Councils approval. Captains need to contact **Peggy Jackson** to do this. Approval is required **72 hours** prior to the first match played. After approval, the new person must then be paid for before they play.

The **division median** for this season:

A=14.30

B=14.30

C=10.72
