Starting Score Calculation

The point spread is calculated by multiplying the difference between the two handicaps by:

- **15** in 301 and 601
- **20** in Singles Cricket
- **10** in Doubles Cricket and 801

In '01 games add this to the better player's starting score; in Cricket games give this as points to the lesser player.

Score sheets must be returned by **8pm** Wednesday.
