**The Packet**

The "Packet" is the method the League uses to distribute Match scoresheets, the weekly newsletter, and any other information designated by the League. It is generally a manilla "Inter-Office Mail" envelope. Both the Home and Away teams should be clearly listed on the front.

Packets are generally available for pick up on the Monday evening preceding Tuesday Match play. the Home Team Captain is responsible for picking up the Packet before the Match and returning the empty Packet at a later time. Teams in RTP should pick up their Packets at PJ's Sports Bar, other teams should find their Packets at Down Under Pub. Any team wishing to make other arrangements should contact the Newsletter Editor before the Match. Empty packets may be returned to either location. Due to the cost of replacing packets, teams that habitually don't return the empties will be warned, then penalized.

**The Scoresheet**

To properly maintain the statistics that are the basis of our handicapping system, utmost care must be applied to the recording of games on the scoresheet. All information must be supplied in the proper locations. Both team Captains are responsible for verifying all information on the scoresheet. Penalties can be severe for repeated failure to properly record information on the scoresheet, especially handicap information.

Please use black or blue indelible ink to record your Matches. Keep sloppy drinkers away from your scoresheet at all times! Don't assume the League Statistician will be able to read your crossed-out mess with all those arrows pointing all over the place. If you need to correct mistakes, consider using the comments section on the back of the scoresheet to clarify any possible problems. Players are encouraged to use the Comments section on the back to pass along Match comments for publication in the newsletter.

**The Captain of the Winning team is responsible for returning the official Match Scoresheet to the League Statistician. The Packet contains a pre-addressed #10 envelope.**

*Hall of Shame*

We don't really have any visitors to the hall this week, so I am going to take this opportunity to send out a plea to any one who lists the matches. There are four Mikes in this league this season. The other funny thing is that there are two on one team, and two on another. **Please.....Put at least an initial stating which Mike is playing.** I am not psychic, and it makes it even harder when both Mikes have the same handicap. I can't even decipher it that way. I have taken to flipping a coin.. So, if your name is Mike and your stats aren't correct, blame it on your captain.

**Headlines and News Items**

Email Lists!. The Bull City Dart League now has three email lists of its very own.

**bcdl\_chat:** This group is meant as a general discussion area. Be the first one to join. Rumours, news, advice, darts for sale are all welcome here. If you know of a tournament, tell us? Anyone can join, anyone can post

**bcdl\_news:** Want Dara's On The Wire MS Word 97 newsletter delivered directly to you? Want occasional statistical tidbits uncovered by Andy? Sign up now! This will not fill your inbox, but some of the newsletters can be pretty hefty. Only Andy and Dara can post, so you'll be spared unwanted chatter.

**bcdl\_update:** Is your email on the Rosters page? If so, you are already signed up. Want to leave? It's easy, just follow the directions in each message you receive, or follow the link above. This list takes the place of the long and nasty email cc: list that Andy uses to send out sporadic notices about meetings, registration, and other important BCDL dates. We recommend that you stay in, especially if you are a league member, so that you don't miss any announcements. We promise to limit the number of messages in this list.

**newsgroups:** Don't like e-mail lists? If you have access to the news-group server franklin.oit.unc.edu you can access these lists as newsgroups.
