Beer is Good for you	3	3	2	4	3	15
No Side Dishes	1	1	2	0	0	4

All of us should now simply refer to Allen Smith by his new name bestowed upon him by his gracious opponents: "Multi -Ton". (Just "Multi" if you're tight with Allen..) ("Mr. Multi-Ton if you're being formally introduced for the first time.)(And "That damn Multi'Ton when he swoops in with a ton-something-out to leave you on 32 and drop your w/l record.) Allen started his singles -01 fame with 451 point. After one turn, He had 351. After two turns, he had 251. After three turns, he had 151. And after four turns, he had...Yup, 51. His all-star point box looked like he was stuttering: T-T-T-Ton! Four tons in a fame of 301 - Doesn't happen every day.

Kevin's beer is a different color than mine - Will I remember? - Jill. Quote of the week: "We've got to start drinking faster." Kevin - Multi-Red Ton(Brought accolades from opponents) Debbie - Imaginary double 18 followed by real double 18 to win. Marian - 5m (Only 1 counts) Kevin- 5m (Only 3 count) to top Marian. Out all-star defense worked in 701 - Held beer....To zero all-stars! *Due to time constraints the vole answer will not be printed. If No SideDishes would like to type up and electronically submit the vole answer, I will be glad to put it in. ED.*

**Hall of Shame**

Well, I missed a couple of people that should have been in the Hall last week. The following games had no darts counted. Kevin Starring/David Page. Jason Miles/Matthew Blasco. Just remember that without those, there can be no stats ran on that game. This week, we have some people who can't add. The Kelt 1/ More Points match was 11-8 not 10-9
