Scoresheet Return

Scoresheet return remains the same as last season. There will be a pre-addressed envelope in each packet for returning the scoresheets. The scoresheet must have a postmark of no later than Wed. or penalty points will be assessed. A Thurs.postmark is 5 pts., Fri. 8 pts., any other is all points. Anyone with access to a fax machine can fax it to me at 493-8091. Make sure that you have a number that you can be reached in case it is un-readable. You can also hand deliver them directly to me, as long as I have the scoresheet by Friday.

Dara, could you please check my ASP from last week. Thanks Steve K. Duck Farts - *Got ya covered Steve.*

To: Kevin Kirk: I too have been playing in the BCDL for several years, and hate to see unhappy players. It is my opinion that MAYBE you should run for office. You seem to have a plan. Why not try to get your plan into motion. Many have commented on situations in the BCDL, but few have stepped up to the plate. I do not always agree with Andy Mead or other members of the Board, but at least they are doing something and so long as nobody else is willing to serve, the rest of us have very little to bitch about! Now is the time! Nominations are open, throw your hat into the ring. The BCDL can always use new ideas and fresh blood! - DonDonSoy- I agree too Kevin - except you need to be at the meeting to have a reason to bitch. -Bob Rankl

Tournament and Award Eligibility.

We are not past the halfway mark of the season. Please pay attention to the following if you want to make sure you are eligible to play in the tournament, or make sure you play enough games to win season awards.

Tournament: If your team qualifies for the League Championship Tournament, you must have played either A) at least one game in five (5) matches or B) at least one-third of possible games (seventeen (17), this season).

Singles & SPPD Awards: If you are in the running for a Singles Win Percentage, Season Points Per Dart, or Rookie of the Season awards, you need to make sure you play in at least sixty percent (60%) of possible singles games. This season that means twelve (12) games. In the case of the SPPD based awards, games in which the PPD information was not tracked, do not count towards the total!

President's Award: If you think you might have the best overall won-lost record, you need to make sure that you play at least sixty percent (60%) of possible games. What that means is that you need to play at least thirty (30) games this season to be in the running.
