Note From Editor

Okay folks, I am back... I guess you can only spend so much time barefoot wizzing in the woods, and that moonshine packs a helluva whallop. I think I will be sticking with my Tuesday night tequila shots. You ready Dee and Connie? ☺ Anyway, you are now spared the humour and sarcasm of John for the rest of the season. Not much to report this week, so on with the usual stuff. (Dara)

Hall of Shame

If government is going to put health warning labels on beer, wine and liquor, let's at least have a little truthfulness about the matter!

WARNING: Consumption of alcohol may cause you to wake up with breath that could knock a buzzard off a shit truck at 100 yards.

WARNING: Consumption of alcohol is a major factor in dancing like an idiot.

WARNING: Consumption of alcohol may cause you to tell the same boring story over and over again until your friends want to smash your head in.

WARNING: Consumption of alcohol may cause you to tell the boss what you REALLY THINK while photocopying your butt at the office Christmas party.

WARNING: Consumption of alcohol may leave you wondering what the hell ever happened to your pants (panties) anyway.

WARNING: Consumption of alcohol may cause you to roll over in the morning and see something really scary (whose species and/or name you can't remember).

I would just like to say, I have no problem with being deducted 5 pt for the late packet 2 weeks ago. I understand it is the rules. My problem is if you do not have access to a fax machine or E-mail. If you put the letter in the mailbox Tues. night or Wed. why should you be deducted for the US Postal Service not doing their job. Please keep deducting and following the rules, we will too, But you should extend the day by one to help those that don't have fax and E-mail at home. (Steve T) **Skeleton Esq. Ltd. Is looking for some players to form a team next time around!!**(What they mean is they need people for their team now! If any of you know of people wanting to play let them know.)
