<i>Eligibility</i>

To be eligible to play in any tournament round matches, a player must be listed and present in at least half of the team's regular matches and/or a third of the team's sets (there are five sets per match). Teams that receive a match forfeit will receive credit for one match and for five sets for all active members of the team. That relates to 8 matches, and/or 25 sets in this season.

To be eligible to win a season points-per-dart award or trophy, a player must

play in at least 60% of the regular season singles sets for his/her team (2*the number of matches the team plays; match forfeits received are not included in the team's match total, match forfeits given to another team ARE included). No credit is given for singles games listed against a short-handed opposing team's blank slot.

To be eligible to win the President's Award for overall win percentage, a player must play in at least 60% of the regular season sets for his/her team (5*the number of matches the team plays; match forfeits received are not included in the team's match total, match forfeits given to another team ARE included).

Statistician in Training

Don't anybody freak out if there is a problem with your stats this week. I am teaching Russell how to do the stats, so he can do them when I go on vacation, or just to give me a break now and then. Just put a nice note on the back of the scoresheet and they can be fixed. Thanks. Dara
