Eligibility

To be eligible to play in any tournament round matches, a player must be listed and present in at least half of the team's regular matches and/or a third of the team's sets (there are five sets per match). Teams that receive a match forfeit will receive

credit for one match and for five sets for all active members of the team. That relates to 8 matches, and/or 25 sets in this season.

To be eligible to win a season points-per-dart award or trophy, a player must

play in at least 60% of the regular season singles sets for his/her team (2*the number of matches the team plays; match forfeits received are not included in the team's match total, match forfeits given to another team ARE included). No credit is given for singles games listed against a short-handed opposing team's blank slot.

To be eligible to win the President's Award for overall win percentage, a player must play in at least 60% of the regular season sets for his/her team (5*the number of matches the team plays; match forfeits received are not included in the team's match total, match forfeits given to another team ARE included).

You missed Tony Chapins all-stars
T25,4bout. *Wow, looking back, that ain't all
I missed. I didn't list the new all-stars for
two whole matches. I would remedy that
now, but the old scoresheets have already
been moved to the new house. I got them
in the stats though. Ed.*
