 Shawn Bradley (489-2832)

Scoresheet Problems

I am having a continuing problem with scoresheets that are turned in. If you want credit for your games, you need to make sure that your scoresheets are filled out correctly. The following are some excerpts from the rules and by-laws of the BCDL:

-Each participating player's first and last name and HPPD average (defined in Article VIII) is to be filled in at the top of the scoresheet. Team names need to be listed on the lines provided at the top of the scoresheet.

-Include sufficient indication of a player's identity so that the statistician is able to distinguish between players (i.e., if two players on the same team or in the same singles cricket game have the same first name, include the players' last names). Teams that chronically do not record or improperly record handicap games will be assessed a penalty and have points removed from their team totals. After two warnings (either by person-to-person communication, or by indication of such problems on the front page of the newsletter), teams involved in improperly-recorded games will be penalized the value of the game points for further omissions or errors.

-If you forget to keep track of the darts thrown or final point total (or marks scored in cricket), indicate that game as unrecorded. Do not guess or fabricate scores.

Hall of Shame

Yep, the hall is back! We have Michelle Plogh losing 301 with the number of darts not divisible by 3. And, as previously noted, we had a couple of teams using initials only on the back of the scoresheet. That's a no-no.
