## Editor Notes

### The following is a list of players looking for teams:

Will Pope (477.0764 and 541.2978)  
 Bob Kuppler (851-6124)  
 Dave Berry (467-4382wk544-8090 x276)  
 Shawn Bradley (489-2832)

Please call me at my work number prior to faxing your scoresheets. That way I know it is on the way. Please include a number to reach you in case it does not come through. Hopefully this will cut down on the confusion.

Okay, folks, I am ready for some feedback to print in this rag.

Do you think the this newsletter could use some help? Do you have any burning issues that you would like to put out there? I am now giving everyone in the league an open opportunity to voice their opinions in open print for all the league to see. You can put it on the back of the scoresheet, or even better, type it up and e-mail it to me.

The whole reason we first went to an executive council in this league was because of the difficulty getting a quorum when captains ran the league. Some captains (most captains) are perfectly happy to let the executive council run the league. Why penalize teams because they enjoy darts on Tuesdays but don't care otherwise. Last time I looked there was nothing in the by-laws mandating that we care about the minutae of running the BCDL. DRL

**ARTICLE X: PERSONAL CONDUCT AND SPORTSMANSHIP**

"To be sportsmanlike is to act in a manner becoming a fair, ethical, and honorable individual."

A.The BCDL is empowered to levy penalties for infractions. Repeated evidence of unsportsmanlike conduct by any individual shall be considered just cause for suspension or expulsion from the league.

B.Heckling or harassment, including foul or insulting language by team members, is strictly forbidden. For the best interest of our handicapped dart league, "sandbagging" (intentionally playing poorly for the purpose of lowering one's handicap) is also strictly forbidden. It is each team's responsibility to maintain the best of conduct during league play. In the event of improper conduct, follow the procedures for filing a grievance or protest in Article XI of these By-Laws.

C.Physical violence will result in immediate expulsion from all League-

sponsored activities for a period of one year, whether provoked or not, except in the case of self-defense.

D.Throwing darts at anything other than the board will result in penalties with a possibility of being suspended from League play for the remainder of the season. E.Violation of civil or criminal law will result in immediate expulsion from the BCDL (e.g., taking alcohol into bars, procuring alcohol for minors, etc.).

*Humour Break*

True story from Orange County: A man goes to a party and has too much to drink. His friends plead with him to let them take him home. He says no - he only lives a mile away. About five blocks from the party the police pull him over for weaving and ask him to get out of the car and walk the line. Just as he starts, the police radio blares out a notice of a robbery taking place in a house just a block away. The police tell the party animal to stay put, they will be right back - and they run down the street to the robbery. The guy waits and waits and finally decides to drive home. When he gets there, he tells his wife he is going to bed, and to tell anyone who might come looking for him that he has the flu and has been in bed all day. A few hours later the police knock on the door. They ask if Mr. X lives there and his wife says yes. They ask to see him and she replies that he is in bed with the flu and has been so all day. The police have his driver's license. They ask to see his car and she asks why. They insist on seeing his car, so she takes them to the garage and opens the door where they find: the police car, lights still flashing. This true story was told by the driver at his first AA meeting, according to the newspaper account.

Three guys are riding in their truck, drinking beer, having a good ol' time. The driver looks in the mirror and sees the flashing lights of a police car so he pulls over. The other two are real nervous, "What do we do with our beers? We're in trouble!"

"No," the driver says, "just do this: pull the label off of your beer bottle and stick it to your forehead and let me do the talking."

So they all pull the labels off their beer bottles and stick 'em to their foreheads. The policeman walks up and says, "You boys were swerving down the road. Have you been drinking?" The driver says, "Oh, no officer," and points to his forehead, "we're on the patch, trying to quit."
