### Editor Notes

Please call me at my work number prior to faxing your scoresheets. That way I know it is on the way. Please include a number to reach you in case it does not come through. Hopefully this will cut down on the confusion.

### ADO News

Let's all give Kudos to some of our Durham ladies. They are kicking some butt. At the regional competition in Richmond, Virginia, Paula Delp and Deb Parker won in the Ladies event and will be going to the Nationals in Las Vegas on August 13<sup>th</sup>. Also, our own Lisa Sphritz finished in the top 4. Deb and Paula said Lisa kicked Ass!! Former BCDL member Allen Smith finished in the Top 4 and Joe Gaglione finished in the top 6. Awesome job folks!!

### In Memorium

A couple of our fellow dart throwers John and Jane Janosko were involved in a single vehicle accident. Sadly to say, Jane did not survive the accident. Jane was a Raleigh player and was co-captain of the CADC ladies challenge team. She will be missed. John is still in the hospital in serious condition. Our thoughts and prayers are with him.

Dara – From the captains meeting – I had made the request that an agenda be printed in the newsletter 2 – 3 weeks before any captains meeting (particularly if there is a penalty) Paula had said this already is in the rules or by-laws. This was omitted from the notes on the meeting in the last newsletter – Marian. Also in response to your request for newsletter input. I think you do a great job. Thanks. – M... *Aw shucks!! While most companies refrain from allowing consumption of alcohol on the premises, there are some arguments for changing that policy.

**Reasons for allowing drinking at work include:**

1. It's an incentive to show up.
2. It reduces stress.
3. It leads to more honest communications.
4. It reduces complaints about low pay.
5. It cuts down on time off because you can work with a hangover.
6. Employees tell management what they think, not what management wants to hear.
7. It helps save on heating costs in the winter.
8. It encourages carpooling.
9. Increases job satisfaction because if you have a bad job, you don't care.
10. It eliminates vacations because people would rather come to work.
11. It makes fellow employees look better.
12. It makes the cafeteria food taste better.
13. Bosses are more likely to hand out raises when they are wasted.
14. Salary negotiations are a lot more profitable.
15. Suddenly, farting during a meeting isn't so embarrassing.
16. No one will remember your strip act at the Christmas Party.
